The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting community project funding for Casa Grande Elementary School District #4; Community Center Revitalization project in fiscal year 2025. The entity to receive funding for this project is Casa Grande Elementary School District #4 located at 220 W. Kortsen Rd. Casa Grande, AZ 85122.

Funds will be used to repurpose an existing school district building and convert it to a community center that provides after-school programming, educational support services, and student health and wellness resources that will lead to improved access to childcare for the community with better student learning outcomes and a focus on student wellbeing. Funds will be used for construction purposes. This is a valuable use of taxpayer funds because this project help to provide much needed educational resources to students, it will also better enable parents to participate in the workforce and grow the local economy in order to raise living standards for the entire community.

The project has a federal nexus because the funding provided is for purposes authorized in Community Development Fund (CDF): 42 U.S.C. 5305(a)(1) and 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Juan Ciscomani
Member of Congress
