The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

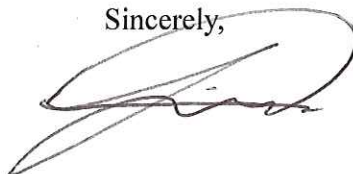

I am requesting community project funding for the Town of Duncan; Main and High Street Improvements project in fiscal year 2025. The entity to receive funding for this project is the Town of Duncan located at 506 SE Old W Hwy, Duncan, AZ 85534.

Funds will be used to pave approximately 4,060 feet on Main and High Street in the Town of Duncan, Arizona. The last new pavement project in the town occurred in 1978, roughly 45 years ago. No additional surfacing projects have taken place since that time. Main and High Streets are critical to the Duncan economy and provide primary access to the high school and U.S. Post Office. This is a valuable use of taxpayer funds because tourism plays a crucial role in the economy of Duncan and Greenlee County, offering an experience of the Old West with scenic mountains, the Gila River, and historic sites. Improving Duncan's Road network is essential for fostering greater business development and tourism opportunities, ensuring safe access to public services such as schools and the U.S. Post Office, which are vital to taxpayers in the area.

The project has a federal nexus because the funding provided is for purposes authorized under title 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Juan Ciscomani
Member of Congress
