The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting community project funding for the Town of Pima; High School Road Construction project in fiscal year 2025. The entity to receive funding for this project the Town of Pima located at 1362 N. Casa Grande Ave Casa Grande, AZ 85122.

Funds will be used to constructs the new Pima High School Road, complete with turning lanes and traffic lights, where the project not only enhances accessibility to education but also fosters economic development and social mobility. Pima Unified School District has full funding to build a new dedicated high school but lacks a dedicated road to connect the new high school. This is a valuable use of taxpayer funds because investing in critical infrastructure projects like the Pima High School Road Construction project enhances education access, safety, and economic vitality. By addressing pressing infrastructure needs, the project fosters long-term prosperity, mitigates barriers to graduation, and promotes economic growth, ultimately benefiting both current and future generations in the community.

The project has a federal nexus because the funding provided is for purposes authorized in Community Development Fund (CDF): 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Juan Ciscomani
Member of Congress
