The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

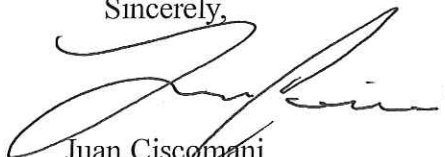

I am requesting community project funding for the City of Eloy; Frontier Street Mill and Overlay project in fiscal year 2026. The entity to receive funding for this project is the City of Eloy located at 595 N C Street Suite 104 Eloy, Arizona 85131.

Funds will be used to remove 2-3 inches of the existing asphaltic concrete surface course with milling and replacing it with asphaltic concrete. The proposed project is located on Frontier Street within the City of Eloy, between State Route 87 and Hanna Road, at the Casa Grande/Eloy boundary. The work also includes installing pavement markings, rumble strips (where they currently exist), and other related work. This project is a valuable use of taxpayer funds because it revitalizes Frontier Street, a historic State Route and main gateway to downtown Eloy, boosting economic vitality and enhancing safety for pedestrians, bicyclists, and motorists. Improvements include upgrading pedestrian crossings, enhancing pavement markings, and installing flashing LED stop signs to improve visibility and reduce accidents. Additionally, Frontier Street serves as a crucial access corridor connecting communities, employment hubs, recreational facilities, and healthcare services, ultimately enhancing the quality of life for residents in Eloy and the greater Pinal County region.

The project has a federal nexus because the funding provided is for purposes authorized 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Juan Ciscomani
Member of Congress
