Chairman  
House Committee on Appropriations

The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting community project funding for the Frontier Mill & Overlay Project Phase II and III in fiscal year 2027. The entity to receive funding for this project is the City of Eloy, located at 595 N C. Street, Suite 104, Eloy AZ 85131.

The funding would be used for fund Frontier Mill & Overlay Project Phase II and III. This will include removing 2-3 inches of the existing asphaltic concrete surface course with milling and replacing it with asphaltic concrete. The work also includes installing pavement markings, rumble strips (where they currently exist), and other related work. These improvements are critical for the quality of life and health and well-being of Eloy. The project is an appropriate use of taxpayer funds because the safety, economic, aesthetic, and connectivity benefits that can be realized through this project greatly outweigh the financial investment on this project. An investment in Frontier Street is an investment in Eloy and its people.

The project has a federal nexus because the funding provided is for purposes authorized by title 23 USC 133, as amended by title III of division A of the Infrastructure Investment and Jobs Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Juan Ciscomani  
Member of Congress
