The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting community project funding for JTED Workforce Training Center for Technological Innovation in fiscal year 2027. The entity to receive funding for this project is PIMA JTED #11, located at 2855 W Master Pieces Dr, Tucson, AZ 85741.

The funding would be used to support the construction of a new workforce training center. Planning is underway for this 50,000 sq ft building, with classroom programs in development relevant to jobs in construction and the industrial trades, alternative energy, robotics & automation, engineering, optics and photonics, semiconductor, and mining. Opening this building would allow the district to serve 500+ more students annually. This investment in JTED is an appropriate use of taxpayer funds as it is an investment in the future of the region's youth, industries, and economy.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Juan Ciscomani
Member of Congress
