The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

I am requesting community project funding for Environmental Assessment and Construction Funding Design for Air Traffic Control Tower (ATCT) in fiscal year 2027. The entity to receive funding for this project is Pinal County, located at 85 N Florence Street, Florence, AZ 85132.

The funding would be used for site selection, environmental review and to begin design and construction of a new air traffic control tower. The project is an appropriate use of taxpayer funds because it ensures safety, efficiency, military readiness, job growth and economic development within the region.

The project has a federal nexus because the funding provided is for purposes authorized by Section 503 of the Airport and Airway Development Act of 1982, 49 U.S.C. 47107.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Juan Ciscomani
Member of Congress
