The Honorable Tom Cole  
Chairman  
House Committee on Appropriations  
Washington, DC 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting community project funding for Rural Healthcare Restoration Project, Bringing Community Health Center Back to San Manuel in fiscal year 2027. The entity to receive funding for this project is the Sun Life Family Health Center Inc., located at 865 N. Arizola Rd, Casa Grande, AZ 85122.

The funding would be used for demolishing the shuttered community health center and establish a new, modular clinic at the same location. To bring primary care services back to San Manuel, the 5,000 sq ft customizable, modular clinic will allow the delivery of comprehensive primary care services through six exam rooms, including one that can be converted to a medical or dental procedure room. The project is an acceptable and appropriate use of taxpayer funds because it brings healthcare services to a region currently with no medical care.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Juan Ciscomani

Member of Congress
