The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

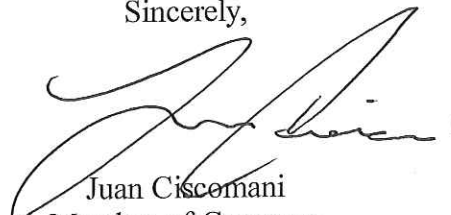

I am requesting community project funding for the Town of Oro Valley; Bridge Replacement project in fiscal year 2026. The entity to receive funding for this project is the Town of Oro Valley located at 11000 N La Canada Dr, Oro Valley, AZ 85737.

Funds will be used to address critical maintenance and repair needs of the bridges in Oro Valley, Arizona. Visible signs of deterioration, including spalling and cracks extending to the reinforcement, highlight the urgent need for repairs. This is a valuable use of taxpayer funds because repairing bridges in Oro Valley is crucial for maintaining vital transportation infrastructure, ensuring safe travel routes, supporting interstate commerce, and enhancing public safety. Investing in bridge repair not only addresses immediate safety concerns but also contributes to the long-term resilience, prosperity, and sustainability of the community's infrastructure.

The project has a federal nexus because the funding provided is for purposes authorized under 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Juan Ciscomani  
Member of Congress
